O ye who believe! when you confer together in secret, confer not for the commission of sin and transgression and disobedience to the Messenger, but confer for the attainment of virtue and righteousness, and fear Allah unto Whom you shall all be gathered.

Holding of secret counsels for evil purposes is only of Satan, that he may cause grief to those who believe; but it cannot harm them in the least, except by Allah's leave. And in Allah should the believers put their trust.

( Surah al Mujadlah: 10,11 )

The Messenger of Allah (blessings of Allah be upon him and his family) has said: "Surely this Qur'an is the rope of Allah, and a manifest Light (nur), and a beneficial cure. Therefore, busy yourselves with the recitation of it, for Allah - The Mighty and Glorious - grants the reward of ten good deeds to you for every letter which is recited.

**New Crescent Moon of Jumada at-Thania 1442:** The Astronomical New Moon (conjunction) is on January 13, 2021 (Wednesday) at 5:00 UT. On January 3, the moon can be seen only in Western South America with difficulty. On January 14, it can be seen in the whole world (See visibility curves).
