O ye who believe! when you confer together in secret, confer not
for the commission of sin and transgression and disobedience to the
Messenger, but confer for the attainment of virtue and righteousness,
and fear Allah unto Whom you shall all be gathered. Holding
of secret counsels for evil purposes is only of Satan, that he may cause
grief to those who believe; but it cannot harm them in the least,
except by Allah's leave. And in Allah should the believers put their
trust. (Surah al Mujadlah: 10,11)
